**CITY/COUNTY ASSOCIATION OF GOVERNMENTS
LEGISLATIVE COMMITTEE**

**MINUTES
MEETING OF SEPTEMBER 9, 2004**

At 5:10 p.m. Chairman Lee Panza called the meeting to order in the Fourth Floor Dining Room at the San Matco Transit District Office.

Members Attending: Chairman Lee Panza, Vice-Chair Sue Lempert, Deborah Gordon, Marc Hershman, Joe Silva, Mike King, and Deborah Wilder.

Staff/ Guests Attending: Richard Napier (C/CAG Executive Director), Brian Moura (City of San Carlos), David Burruto (Speaker pro Tem Leland Yee's Office), Walter Martone (C/CAG Staff).

1. Public comment on items not on the agenda.

- None

2. Minutes of the Meeting of August 12, 2004.

*Motion: To approve the minutes of August 12, 2004 as presented.
Hershman/Gordon, unanimous.*

3. Update from C/CAG's Lobbyist in Sacramento (via conference call).

- September 30th is the last day for the Governor to sign or veto bills passed by the legislature.
- AB 2702, the Steinberg bill to restrict local jurisdiction discretion over the approval or disapproval of 2nd units has made it to the Governor's Desk. More letters are needed to encourage a veto of this bill. The Board of Realtors has made passage of this bill its top priority. C/CAG has already taken an "oppose" position on AB 2702.
- There are currently 841 bills on the Governor's Desk for consideration.
- AB 923 by Assemblyman Firebaugh, would increase the vehicle registration fee by \$6 to support air quality programs. Our Lobbyist is concerned that this bill, which is also on the Governor's Desk, may be viewed as competitive with C/CAG's AB 1546.
- To date LOCAL has raised \$4.7 million to support the campaign to pass Proposition 1A. Although the Governor has committed to campaign to pass this measure, he has also signed on to a number of other campaigns. There is concern that he has spread his support or opposition to too many causes and therefore his effectiveness may be wearing thin.

4. **Legislative status on AB 1546, provide Board direction to C/CAG staff on AB 1546 Program, and approval of resolution 04-18 of the Board of Directors of the City/County Association of Governments of San Mateo County authorizing a C/CAG Board AB 1546 Negotiating Committee.**

AB 1546 has been assigned to a member of the Governor's Staff for review. This individual is very conservative and generally critical of any "fee" bills or increases in taxes. However this individual is also a long time friend of Chuck Cole at Advocacion. Chuck and Wes Lujan have scheduled an appointment to meet with the Governor's Staff to encourage a favorable review.

In an effort to make this bill extremely attractive to the Governor, C/CAG staff has written a Resolution whereby the C/CAG Board would make a commitment in the event of the approval of AB 1546, to explore ways that C/CAG could participate in implementing the Governor's Executive Order to advance the development of a "hydrogen highway" for California. This resolution would also appoint a C/CAG Subcommittee to work with Advocacion and the Governor's Staff if necessary to clarify and strengthen C/CAG's commitment in this area if necessary.

Motion: To recommend that C/CAG adopt Resolution 04-18. Lempert/Gordon, unanimous.

5. **Funding options for the Bay Bridge cost overruns.**

The Legislature adjourned without coming up with a solution to the added finances needed to pay for the construction of the new span of the Oakland-Bay Bridge. The Administration has still not indicated whether it will seek an extension of the existing bid or allow it to expire and rebid the project. Executive Director Napier has sent a letter encouraging the Administration not to pursue redirecting funds that were approved under Regional Measure 2 to pay for the cost overruns of the Bay Bridge. These funds were approved by the voters for specific projects, some of which are critical to San Mateo County.

6. **Consideration of positions on other pending legislation.**

David Burruto, representing Assembly Speaker Pro Tempore Leland Yee, requested consideration by the Committee on two pieces of legislation that are pending in the Governor's Office.

AB 2466, authored by Assemblyman Yee, will guarantee that local governments throughout California receive their fair share of jet fuel sales tax dollars. Under a loophole in the current law, United Airlines has been able to divert all of the sales tax dollars for its entire California fleet, to the City of Oakland. In return for this diversion, Oakland has rebated 65% of these sales tax dollars to United Airlines. San Mateo, San Francisco, and Santa Clara Counties are losing millions of sales tax dollars due to this exploitation of the loophole.

SB 792, authored by Senator Sher, will require Caltrans to transfer certain surplus right-of-way property to State Parks. This bill is needed in order to resolve issues related to a final appeal of the construction of the Devil's Slide Tunnel.

***Motion: To recommend that C/CAG "support" AB 2466 and SB 792.
Lempert/Gordon, unanimous.***

7. Establish date and time for next meeting (September 9, 2004).

Due to the fact that the Legislature is in recess, it was decided to cancel the October and November meetings. Therefore the next meeting was set for December 9, 2004 at 5:00 p.m. at the Fourth Floor Dining Room at the San Mateo County Transit District Office.

8. Adjournment.

The meeting was adjourned at 6:35 p.m.

SIGNIFICANT ACTIONS IN THE 2004 LEGISLATIVE SESSION

1. AB 1546 (sponsored by C/CAG) was signed by Governor.
2. AB 1426 (opposed by C/CAG) to establish affordable housing requirements in the Sacramento area was vetoed by the Governor.
3. AB 2702 (opposed by C/CAG) to impose rules on local governments regarding the approval of 2nd units was vetoed by the Governor.
4. AB 2782 to allow members of Joint Powers Agencies to disclose information from closed sessions of that JPA, to members of their member agency in a closed session was signed by the Governor.
5. AB 269 to allow redevelopment agencies in San Mateo County to use its funds for housing projects within ½ mile of a Samtrans, SMTA, or JPB right-of-way was signed by the Governor.
6. SB 849 to study the feasibility of consolidating functions of ABAG and MTC was signed by the Governor. The Governor also requested that the committee conducting this review be expanded to include the Secretary of Business, Transportation and Housing.
7. AB 2466 (supported by C/CAG) to close a loophole in the sales tax law that has allowed United and other airlines to apportion the sales tax on jet fuel to a single jurisdiction was vetoed by the Governor.
8. SB 792 (supported by C/CAG) to transfer a piece of Caltrans property to State Parks in order to close the deal to build the Devil's Slide Tunnel was signed by the Governor.

C/CAG AGENDA REPORT

Date: November 11, 2004
To: City/County Association of Governments Legislative Committee
From: Richard Napier, Executive Director
Subject: REVIEW AND APPROVAL OF LEGISLATIVE SCORE SHEET FOR
ADVOCATION AND LEGISLATORS.

(For further information contact Walter Martone at 599-1465)

RECOMMENDATION

That the Legislative Committee recommend approval to the C/CAG Board of the attached Legislative Score Sheet for Advocation and the members of the San Mateo County Legislative Delegation.

FISCAL IMPACT

The total cost of the contract with Advocation, Inc. for the period of December 2003 through December 2004 was \$60,000.

SOURCE OF FUNDS

Funding to support the contract with Advocation was available in the currently approved budget.

BACKGROUND/DISCUSSION

The attached chart provides information on the 2004 voting records of the California State Assemblypersons and Senators that represent the jurisdictions in San Mateo County. As approved by the C/CAG Board in November 2003, the method of calculating the voting record gives ½ credit for abstaining from or being absent on votes where C/CAG has taken an "oppose" position, and subtracts ½ credit where C/CAG has taken a "support" position. Not included in the votes is the fact that Assemblyman Simitian authored C/CAG's bill (AB 1546) and presented/defended C/CAG's bill before seven Committees of the Legislature. Assemblymembers Mullen and Yee also became co-authors of the bill.

Evaluation of Lobbyist by C/CAG Staff

Measurement	Comments
Results of bills assigned to Lobbyist	C/CAG's top priorities for this legislative session have been securing the passage of AB 1546 and advocating for Constitutional protection of local government resources. On both of these priorities Advocation has aggressively represented C/CAG's interests. As a result, C/CAG's first bill sponsored, AB 1546 to provide over \$11 million to San Mateo County jurisdictions, was signed into law. Proposition 1A, to amend the Constitution to protect local resources, will go before the voters on November 2, 2004.
Feedback from Legislators and other relevant parties such as the League, etc.	Assemblyman Simitian, the author of C/CAG's bill -- AB 1546, unequivocally stated that Advocation did an excellent job in securing the passage of AB 1546. They did most of their work behind the scenes, including securing the votes of key legislators, and ensured that all those who were partners in the effort, received the credit.

Degree to which C/CAG has been visible in Sacramento.	There has been a marked increase in the extent to which the opinion of C/CAG has been sought by State elected officials. Legislators' and their staff now routinely contact C/CAG for information, for advice, and to request the support of C/CAG on measures they are carrying.
Degree to which the Lobbyist has been responsive to staff requests.	Advocation Staff have made themselves available to C/CAG Staff during and after regular work hours, and on weekends. In the absence of the chief liaison to C/CAG, Wes Lujan, other Advocation representatives have ably filled in and made themselves equally available. Generally whenever C/CAG Staff have left a message for someone at Advocation, we have heard back within two hours.
Degree to which the Lobbyist has kept Staff informed.	Advocation has provided staff with regular (weekly) alerts of potential legislation of interest to C/CAG; generally there are been weekly phone conversations with Advocation on the status of important issues; and periodic meetings in Sacramento where Advocation introduced C/CAG Staff to key Legislative contacts.
Degree to which the Lobbyist was knowledgeable and managed the Legislative process.	Securing the passage of AB 1546 was a true test of Advocation's knowledge of the workings of the Legislative process and its ability to orchestrate the process. This bill was discussed in an unprecedented seven Committee hearings and was negotiated with the staffs of these Committees and the staffs of many of the Legislators sitting on these Committees. They also negotiated rule waivers for the bill and ultimately worked with the Governor's Office to secure his signature. The results speak for themselves – the passage of a bill that was opposed by all Republicans and signing it into law by a Republican Governor. There were five other bills that were very similar to AB 1546 that were introduced during this Legislative Session. All of them either died or were defeated.

Overall Conclusion and recommendation of C/CAG Staff

C/CAG Staff strongly recommends that the contractual relationship between C/CAG and Advocation be renewed for another year. The cooperative working arrangement between this agency and C/CAG has been outstanding; the service provided has been excellent; the responsiveness has been superb; and the skill that this organization has demonstrated in advocating for C/CAG's goals has surpassed our expectations. Furthermore, they have more than achieved C/CAG number stated goal for Legislation – "Follow the Money!" The passage of AB 1546 will be worth \$11 million to San Mateo Local Jurisdictions over the next four years.

C/CAG AGENDA REPORT

Date: November 11, 2004

To: City/County Association of Governments Legislative Committee

From: Richard Napier, Executive Director

Subject: REVIEW AND APPROVAL OF THE C/CAG BOARD STATE
LEGISLATIVE PRIORITIES FOR THE 2005 STATE LEGISLATIVE
SESSION

(For further information or questions contact Richard Napier at 599-1420 or
Walter Martone at 599-1465)

RECOMMENDATION

That recommend approval to C/CAG Board of the list of State legislative priorities for 2005 as attached to this report.

FISCAL IMPACT

Many of the priorities listed in the attached chart have the potential to greatly increase the fiscal resources available to C/CAG member agencies.

SOURCE OF FUNDS

New legislation.

BACKGROUND/DISCUSSION

Each year the C/CAG Board adopts a set of legislative priorities to provide direction to its Legislative Committee, staff, and its Lobbyist. The C/CAG Board in the past has established the following things that the priorities are intended to accomplish:

- Identify a clearly defined program with objectives at the beginning of the Legislative Session.
- Identify specific priorities to be accomplished for the Session by the Program and the Lobbyist.
- Limit the activities of C/CAG to areas where we can have the greatest impact.

The adoption of a list of priorities will hopefully maximize the impact of having a Lobbyist represent C/CAG in Sacramento and will also significantly reduce the amount of C/CAG staff time that is needed to support the program. The list developed by staff includes all of the items that have been priorities of C/CAG in the past.

PROPOSED C/CAG LEGISLATIVE PRIORITIES FOR 2005

Objective	Strategy	Relevant Bills	Priority
1. Secure stable funding to pay for increased NPDES mandates.	<ul style="list-style-type: none"> Support efforts to exempt NPDES from the super majority voting requirements. Include NPDES as a priority for funding in new sources of revenues (i.e. water bonds). Advocate for C/CAG and San Mateo County jurisdictions to be identified as a pilot project to receive earmarked funding. 	<ul style="list-style-type: none"> Reintroduce, support and aggressively work for the passage of ACA 10. 	ONE
2. Encourage the State to protect transportation funding.	<ul style="list-style-type: none"> Urge the State to restrict or eliminate transfer of State transportation funds to the State General Fund. Urge the State to continue to pursue a solution to the Federal Ethanol tax problem. Urge the State to pay back the previous loans within the next four years. Urge the passing of legislation to close the Proposition 42 loophole that allows the State to borrow the funds at will. Direct the C/CAG legislative advocate to monitor and advocate these positions. 		
3. Guard the right of local jurisdictions to establish and enforce local land use policy (support the efforts of the League, but do not take an active role).	<ul style="list-style-type: none"> Oppose efforts to limit the ability of local jurisdictions to determine appropriate land uses within its boundaries. Support efforts that provide added flexibility to local jurisdictions so that they can implement smart growth programs. 		
4. Support incentives for increasing low and moderate income housing stock, and oppose State housing mandates.	<ul style="list-style-type: none"> Support efforts to allow jurisdictions to contribute to affordable housing projects in other jurisdictions and receive State credit for the contribution. Oppose State dictated criteria for the approval of housing. Support incentives for housing that represent new funding. Oppose redirecting existing revenues and adding new requirements. Support efforts to give jurisdictions increased flexibility to meet housing needs. 		

5. Support lowering the 2/3 rd super majority vote for local special purpose taxes.	<ul style="list-style-type: none"> • Support bills that reduce the vote requirement for special taxes such as public safety, infrastructure, and transportation. • Oppose bills that lower the threshold, but dictate beyond the special tax category, how locally generated funds can be spent. 		
6. Protect against increased local costs resulting from State action without 100% State reimbursement for the added costs.	<ul style="list-style-type: none"> • Ensure that there is real local representation on State Boards and Commissions that are establishing policies and requirements for local programs. • Advocate for the appointment of Administration Officials who are sensitive to the fiscal predicament faced by local jurisdictions. • Oppose State action to dictate wage and benefits for local employees. • Oppose State action to restrict the ability of local jurisdictions to contract for services. • Advocate for State actions that are required to take into consideration the fiscal impact to local jurisdictions. 		
7. Support congestion pricing as a tool to manage traffic congestion.	<ul style="list-style-type: none"> • Support a congestion pricing demonstration on the Dumbarton Bridge (such as a high-occupancy-toll lane) to address traffic congestion in the 2020 Peninsula Gateway Corridor study area. 		

C/CAG AGENDA REPORT

Date: November 11, 2004

TO: C/CAG Board of Directors

From: Richard Napier - C/CAG

Subject: Review and approval of the program definition for the AB 1546- Environmental/ Transportation Pilot Program

(For further information or response to question's, contact Richard Napier at 650 599-1420)

Recommendation:

Review and approval of the program definition for the AB 1546-Environmental/ Transportation Pilot Program in accordance with the staff recommendation.

Fiscal Impact:

AB 1546 allows C/CAG to assess up to \$4 per registered motor vehicle for four years. There are 685,384 registered vehicles in San Mateo County. Therefore, AB 1546 will provide up to \$10,966,144 in revenue.

Revenue Source:

Up to \$4 motor vehicle fee for vehicles registered in San Mateo County.

Background/ Discussion:

In order to leverage the limited funds available C/CAG sponsored AB 1546. AB 1546 was signed by Governor Schwarzenegger and will become law on January 1, 2005. AB 1546 will create a four-year demonstration project in San Mateo County. This bill will authorize C/CAG to increase the Vehicle Registration Fee on vehicles registered in San Mateo County by up to \$4.00 in order to fund programs to minimize storm-water pollution in the San Francisco Bay and to support the management of traffic congestion including the establishment of an Alternate Fuel Vehicle Shuttle Program to improve air quality. AB 1546 is a pilot program for San Mateo County with strong management controls including public hearings, specific work program/ budget, performance measures, independent audit, sunset provision, and a report to the legislature.

On August 12, 2004 the C/CAG Board adopted Resolution 04-13 to use a portion of the revenues generated by AB 1546 to explore the use of technologies such as Hydrogen Fuel Cell, Hydrogen Combustion, Hybrids/ Plug-In Hybrids, Battery-Electric, Bio-diesel, Compressed Natural Gas, and other technologies for use in shuttle vehicles as an alternative to fossil fuel powered vehicles. Passage of AB 1546 allows the C/CAG Board to direct its staff as a first step to explore how the

AB 1546 Program can be used to identify locations, aid in permitting, and explore partnerships for the development of Hydrogen Fueling Stations in San Mateo County to further the objectives of Executive Order S-7-04 by the Governor of the State of California. This effort is consistent with the State's vision of a Hydrogen Highway in California. This commitment may have been a key factor in the Governor's decision to sign AB 1546.

AB 1546 Environmental/ Transportation Pilot Program:

A program meeting the following broad objectives is recommended.

- 1- Funds should be split equally between the two major programs. (Stormwater Pollution Prevention and Transportation)
- 2- In each major program, half of the funds be should be used to reimburse the Cities/ County for current activities in those areas.
- 3- New programs should be identified that recognize that the funding will only be available for four years. Therefore, a future un-funded obligation should not be created.
- 4- Payments to the Cities/ County should require the completion of a detailed report in a form that can be submitted directly to the State Legislature as part of the final report.

A general framework for the AB 1546 Program is shown in the attached "AB 1546 Environmental/Transportation Pilot Program."

Recommendations:

C/CAG staff recommends that the C/CAG Board take the following actions:

- 1- Approve the general concept of the AB 1546 Environmental/ Transportation Pilot Program.
- 2- Refer the program concept to the CMP TAC and CMAQ Committee to further define the Congestion Relief/ Alternative Fuel Vehicle Shuttle Program.
- 3- Refer the program concept to the NDES TAC to further define the Stormwater Pollution Prevention Program (Motor Vehicle related).

RESOLUTION 04-13

RESOLUTION OF THE BOARD OF DIRECTORS OF THE CITY/ COUNTY ASSOCIATION OF GOVERNMENTS OF SAN MATEO COUNTY COMMITTING TO EXPLORE THE DEVELOPMENT OF AN ALTERNATIVE FUEL VEHICLE SHUTTLE PROGRAM FOR SAN MATEO COUNTY

RESOLVED, by the Board of Directors of the City/County Association of Governments of San Mateo County (C/CAG), that,

WHEREAS, C/CAG is the Congestion Management Agency for San Mateo County; and

WHEREAS, C/CAG is the San Mateo County Program Manager for the Transportation Fund for Clean Air Program; and

WHEREAS, technologies such as Hydrogen Fuel Cell, Hydrogen Combustion, Hybrids/ Plug-In Hybrids, Battery-Electric, Biodiesel, Compressed Natural Gas, and other technologies are available for use in vehicles as an alternative to fossil fuel powered vehicles; and

WHEREAS, these technologies could be used for shuttles in an Alternative Fuel Vehicle Shuttle Program for San Mateo County; and

WHEREAS, an Alternative Fuel Vehicle Shuttle Program would address both Congestion Management and Air Quality; and

WHEREAS, the Bay Area Air Quality Management District, State of California, and State/ US Environmental Protection Agency are supporting the development of these alternative fuel vehicle technologies; and

WHEREAS, an Alternative Fuel Vehicle Shuttle Program is consistent with the goals and objectives of AB 1546; and

WHEREAS, an Alternative Fuel Vehicle Shuttle Program would be of direct benefit to motorists by increasing transit ridership and advancing the development of low emission alternative fuel vehicle technologies; and

WHEREAS, an Alternative Fuel Vehicle Shuttle Program could be partially funded using the revenue from AB 1546; and

WHEREAS, EXECUTIVE ORDER S-7-04 by the Governor of the State of California directs State Agencies to work with stakeholders "... including local and regional government organizations...to implement this Executive Order, plan and build a network of hydrogen fueling stations along these roadways and in the urban centers that they connect ...".

NOW THEREFORE, BE IT RESOLVED, that in the event of passage of AB 1546 the Board of Directors of the City/ County Association of Governments of San Mateo County:

1- Is committed to explore the development of an Alternative Fuel Vehicle Shuttle Program for San Mateo County;

2- Commits a portion of the revenue received from AB 1546 to leverage additional funding to explore the development of an Alternative Fuel Vehicle Shuttle Program for San Mateo County; and

3- Directs its staff as a first step to explore how the AB 1546 Program can be used to identify locations, aid in permitting, and explore partnerships for the development of Hydrogen Fueling Stations in San Mateo County to further the objectives of Executive Order S-7-04 by the Governor of the State of California.

C/CAG AGENDA REPORT

Date: November 11, 2004

To: City/County Association of Governments Legislative Committee

From: Richard Napier, Executive Director

Subject: Approval of Resolution 04-28 authorizing the C/CAG Chair to execute an Amendment to the Agreement with Advocacion, Inc. to provide Lobbying Services during the 2005 Legislative Session for an additive amount of \$72,000

(For further information or questions contact Richard Napier at 599-1420 or Walter Martone at 599-1465)

RECOMMENDATION

That the Legislative Committee recommend approval to the C/CAG Board of Resolution 04-28 authorizing the C/CAG Chair to execute an amendment to the agreement with Advocacion, Inc. to provide lobbying services during the 2005 Legislative Session for an additive amount of \$72,000 in accordance with the staff and Legislative Committee recommendation.

FISCAL IMPACT

The cost of the outside lobbyist for 2005 will not exceed \$72,000 (including monthly retainer and expenses). The \$72,000 is programmed in the FY 2004-05 C/CAG budget.

SOURCE OF FUNDS

The source of the funds for the lobbyist will be from Congestion Management and National Pollutant Discharge Elimination System (NPDES) revenues.

BACKGROUND/DISCUSSION

Since November 2002 C/CAG has had a Legislative Committee. A State Legislative Lobbyist was retained for the 2003 and 2004 Legislative sessions. C/CAG contracted with Advocacion, Inc. for these services. The best way to put the success of this endeavor into perspective is to note that this effort has resulted in AB 1546 being passed and signed into law during the 2004 legislative session. Advocacion played a pivotal role in the passage of AB 1546. This bill will be worth \$11M over the next four years to the cities and the County.

It is recommended that the C/CAG Board approve the recommendation to continue C/CAG's efforts to impact State Legislation and to renew the agreement with Advocacion, Inc. for the 2005 Legislative Session at an added cost of \$72,000. The amount represents a \$12,000 increase over the current annual amount. This recommendation was based on an evaluation of

C/CAG's Legislative Program and the performance of Advocacy as the C/CAG Lobbyist during the 2004 Legislative Session. It also reflects the fact that Advocacy will be utilized for more expanded efforts during the 2005 Legislative Session. For example the effort required for the passage of ACA 10, to enable local jurisdictions to apportion the cost of the Stormwater Pollution Prevention Program to individual parcel holders, will be substantially greater than other bills advocated for by C/CAG. This bill will likely be one of the most important priorities for C/CAG in 2005. Unlike AB 1546, which was exclusively for San Mateo County, ACA 10 will require a State-wide effort to lobby Legislators, rally local jurisdictions around the State, influence the priorities of various State-wide organizations. Also under this contract amendment Advocacy will be called upon to assume a greater role in the screening of legislation.

The following are some of the strengths of this effort and the ways that it can be improved in 2005.

General Strengths (in comparison to no Legislative Committee or Lobbyist):

- Increased visibility and recognition of C/CAG by individual members of the Legislature and Legislative Staffers.
- Increased information, more timely information, and more detailed information has been made available about specific bills, the Legislature, and specific Legislators.
- Increased coordination and cooperation with C/CAG's partners in the Legislative process (League of Cities, Individual Cities, County, Individual Legislators).

Program Strengths (in comparison with prior years' efforts):

- Limited the activities of C/CAG to areas where we can have the greatest impact.
- Specific and focused staff support on key legislative priorities.
- Reduced the level of C/CAG staff support by demanding more screening of bills by the Lobbyist.

Improvements/ Directions that should be made:

- Identify a clearly defined program with objectives at the beginning of the Legislative Session.
- Identify specific priorities to be accomplished for the Session by the Program and the Lobbyist.
- Limit the activities of C/CAG to areas where we can have the greatest impact.

The implementation of the improvements will also minimize the amount of C/CAG staff time that is needed to support the program.

RESOLUTION 04-28

**A RESOLUTION OF THE BOARD OF DIRECTORS OF THE
CITY/COUNTY ASSOCIATION OF GOVERNMENTS
OF SAN MATEO COUNTY (C/CAG) AUTHORIZING THE C/CAG CHAIR TO
EXECUTE AN AMENDMENT TO THE AGREEMENT WITH ADVOCATION, INC.
TO PROVIDE LOBBYING SERVICES DURING THE 2005 LEGISLATIVE SESSION
FOR AN ADDITIVE AMOUNT OF \$72,000**

RESOLVED, by the Board of Directors of the City/County Association of Governments of San Mateo County (C/CAG), that

WHEREAS, C/CAG is a joint powers agency representing all twenty-one local jurisdictions in San Mateo County; and

WHEREAS, the C/CAG Board has determined that it is vital and necessary that its interests be actively promoted with the California Legislature and Administration; and

WHEREAS, C/CAG has determined that outside lobbying services would be the most appropriate method to ensure that C/CAG is adequately represented in the legislative and administrative processes in the Capitol of the State of California; and

WHEREAS, ADVOCATION initially competed through a request for proposals and qualifications, and C/CAG selected ADVOCATION to provide these services in 2003 and 2004; and

WHEREAS, ADVOCATION has verified that it is qualified and properly licensed to provide these services; and

WHEREAS, ADVOCATION provided assistance in the passage of AB 1546; and

WHEREAS, the C/CAG Board has determined that it desires to continue these services for calendar year 2005, ending on December 31, 2005.

NOW, THEREFORE, BE IT RESOLVED that the Chair of the Board of Directors of C/CAG is hereby authorized and directed to execute said amendment to the agreement with Advocacion, Inc. for an additive amount not to exceed \$72,000 for and on behalf of C/CAG, subject to approval as to form by C/CAG Legal Counsel. The new grand total for this agreement will be \$192,000. All provisions of the original agreement with Advocacion adopted on December 12, 2002 will remain the same.
